Re: Ronald McDonald House Christmas Program

Dear Ms. Pisano:

Thank you for your very generous support of our annual Holiday CD fundraiser this year. As a result of your help we were able to raise almost \$224,000 on behalf of Ronald McDonald House Charities.

As I'm sure you know, Ronald McDonald Houses provide a "home away from home" for families of seriously ill children receiving treatment at nearby hospitals. During the past nine years, Dillard's and our partners in the media have helped raise over \$3 million for the Ronald McDonald House program.

Thank you for your continued support of this worthwhile fundraising project on behalf of Ronald McDonald House Charities.

Best wishes for a successful 2003! We look forward to working with you this year.

Sincerely,

Denise Mahaffy

Dear Ms. Kendall,

Thank you so much for having me out recently to promote the San Antonio Youth Centers on the Morning Show. I sincerely appreciate it and am grateful for the number of times you have invited me out to promote our agency and its work with inner-city youth.

The promotions on KISS 99.5 FM have benefited our agency in many ways—much more than I expected several years ago in 1997 when I first was invited to be a guest speaker on your show. It was at that time in 1997 that our agency was struggling for survival—shutting down our services to inner-city youth seemed imminent.

However, a local contractor heard about us through the Morning Show and began an annual event for our benefit. This event has turned into our most prosperous annual fund-raiser. In the first year, it raised \$25,000. Today, more than \$100,000 is raised through the Annual Charity Fun Shoot. This event helped us leverage more resources in the community. It also promoted our agency to a group of businesses with whom we had no prior contact.

Since 1997, our agency has gone from \$100,000 in net assets to almost \$1,000,000. Today, we offer two centers and are about to open a third center on the city's Westside. Numerous children are benefiting from our programs and services.

I sincerely believe that KISS 99.5 FM played a role in our agency's success and will always be thankful to you personally and to the radio station. It is difficult for a nonprofit agency with limited resources to promote its work in the community, to raise awareness, and to encourage individuals and corporations to give. Without these things, a nonprofit organization cannot survive and is unable to serve its constituency. Our mission is being carried out today in large part thanks to your help.

Attn: Speedy Petey

Dear Speedy Petey

We would like to thank you for participating in our 11th National Night Out Against Crime Block Party at Springwood Apartments on Tuesday, August 5th. We had over three hundred people join us at our block party along with our neighboring communities Gardenwood Apartments and Springwood Villas. Our community was filled with lots of people, food, music, and great activities. Our special guests for the evening were San Antonio Spurs Coyote, Sheriff Ralph Lopez, Celine with State Representative Trey Fischer Martinez, Officer Steve Barrera, Officer John Esquivel, San Antonio Police Officers, and Bexar County Deputies.

It was such an honor for the San Antonio Spurs Coyote to attend our National Night Out Block Party. The Spurs have made such a difference in the city of San Antonio, and their involvement in this program has definitely inspired others to join in our efforts to fight crime. The San Antonio Spurs Coyote, KXTN Radio Station—Tejano 107.5 Speedy Petey, Marana Tejana with KEDA radio station, KJ97 Mascot danced, greeted, signed autographs, and put smiles on all our faces. Danny Casanova with the D. J. Express provided the music all throughout the evening. Erica Gonzaba, and various singers with the Network of Young Artists entertained the crowd with their performance.

It takes everyone joining together to help fight crime, graffiti, and drug problems in our neighborhoods. We thank all the wonderful supporters that helped make our block party very successful on National Night Out 2003. The support from area businesses, our vendors, residents, and the community involvement has made such an impact on our event throughout the years. We look forward to "2004" National Night Out to continue the success this program has made in the city of San Antonio.

Dear Sen. Cornyn:

This letter is to advise you of the tremendous contribution that Hispanic Broadcasting Company's radio station KBBT, 98.5 *The BEAT*, has made to the youth of our community. As a community partner to Project WORTH (Working On Real Teen Health), San Antonio's teen pregnancy prevention program, HBC has provided outstanding support of this important community effort.

Project WORTH seeks to help San Antonio youth make healthy choices by emphasizing abstinence, parent communication, and youth development. Project WORTH involves many City departments and multiple components, including education programs for youth and parents; public information and events; and teen clinics.

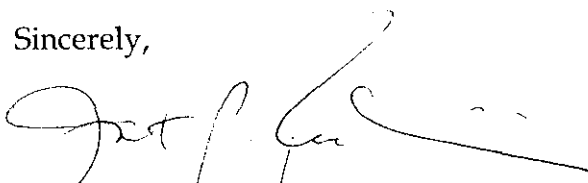

KBBT and Hispanic Broadcasting Company have committed impressive resources to Project WORTH and its message. Over the last two years, the Beat has been an active and dynamic community partner for Project WORTH. The Beat has helped in this important effort in a number of ways:

- Running Project WORTH's *Not Me, Not Now*® radio spots on the air in the evenings.
- Promoting Project WORTH and its message that Waiting is WORTH it!SM in public service announcements
- Co-sponsoring the Teen Health and Career Fair each May at South Park Mall. These fairs involve booths with information for youth and parents about health, education, and careers; entertainment, prizes, a song contest, and giveaways. HBC has provided DJs to emcee the 3-hour event, as well as tables & chairs, music, grand prizes, and giveaways – and promotion of the event.
- Promotion of an annual song contest for the best hip-hop song promoting waiting and healthy decisions among youth.

- Co-sponsoring "WORTH Parties". The BEAT provides great support for these events 2 to 4 times per year, including music, giveaways, refreshments, t-shirts, bumper stickers, CD's, and grand prizes, such as gift certificates and a boom box.
- Giving airtime and attention to Project WORTH events and messages. Rude Dogg and Danny B. from the Morning Show have welcomed Project WORTH staff on their Morning Show many times to promote events, and even included a "Battle of the Sexes" quiz on abstinence.
- The appearance by Morning Show DJ's Rude Dogg and Danny B. at City Hall in January 2002 and February 2003 for the Project WORTH press conference announcing the new numbers—and progress!—on teen pregnancy in Bexar County.
- Providing Rude Dogg and Danny B. to emcee the Talent Show at Normoyle Park in January 2002—and providing prizes and giveaways
- Marching with Project WORTH in the Dr. Martin Luther King, Jr. Day Celebration--January 2002 and 2003.
- Promoting on the air parent communication with their kids about sex.
- Providing on-air announcements and recruiting parents for the *Sex Ed for Parents* workshops.

The Beat has done all these things and more without remuneration—solely out of the station's commitment to the youth of San Antonio. It is clear that the youth of San Antonio listen to The BEAT, and that The BEAT and Hispanic Broadcasting are truly committed to the youth of our city. Seldom do we in Public Health have the opportunity to work with so powerful a force, and so generous a community partner.

- Co-sponsoring the Teen Health and Career Fair each May at South Park Mall. These fairs involve booths with information for youth and parents about health, education, and careers; entertainment, prizes, a song contest, and giveaways. HBC has provided DJs to emcee the 3-hour event, as well as tables & chairs, music, grand prizes, and giveaways—and promotion of the event.

- Promotion of an annual song contest for the best hip-hop song promoting waiting and healthy decisions among youth.
- Co-sponsoring "WORTH Parties". The BEAT provides great support for these events 2 to 4 times per year, including music, giveaways, refreshments, t-shirts, bumper stickers, CD's, and grand prizes, such as gift certificates and a boom box.
- Giving airtime and attention to Project WORTH events and messages. Rude Dogg and Danny B. from the Morning Show have welcomed Project WORTH staff on their Morning Show many times to promote events, and even included a "Battle of the Sexes" quiz on abstinence.
- The appearance by Morning Show DJ's Rude Dogg and Danny B. at City Hall in January 2002 and February 2003 for the Project WORTH press conference announcing the new numbers – and progress! – on teen pregnancy in Bexar County.
- Providing Rude Dogg and Danny B. to emcee the Talent Show at Normoyle Park in January 2002 – and providing prizes and giveaways
- Marching with Project WORTH in the Dr. Martin Luther King, Jr. Day Celebration--January 2002 and 2003.
- Promoting on the air parent communication with their kids about sex.
- Providing on-air announcements and recruiting parents for the *Sex Ed for Parents* workshops.

The Beat has done all these things and more without remuneration – solely out of the station's commitment to the youth of San Antonio. It is clear that the youth of San Antonio listen to The BEAT, and that The BEAT and Hispanic Broadcasting are truly committed to the youth of our city. Seldom do we in Public Health have the opportunity to work with so powerful a force, and so generous a community partner.

Dear Media Friends,

2003 was a “berry” good year! Thanks to Mother Nature for great weather, to the spirit of commitment and cooperation from our friends, and to the phenomenal coverage of the South Texas media, the 56th Annual Poteet Strawberry Festival was an overwhelming success.

Attendance was record-breaking with an estimated 135,000 guests entering our Festival Grounds. Our local non-profit organizations, which operate our food and beverage booths, were extremely pleased with gross sales of over \$528,000. With their proceeds, they are able to fund their benevolent projects throughout the year. The annual Festival is the largest revenue generator in Poteet and it perpetuates the generous scholarship program for local graduates.

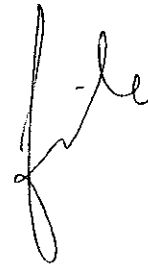

Please accept the sincere appreciation from the PSFA Board of Directors for all you have done to insure the continued prosperity of the Poteet Strawberry Festival.

“Berry” truly yours,

Nita Harvey

Dear Frank:

Many thanks for your informative presentation to the more than 200 attendees at the Nonprofit Media Workshop at Trinity University Wednesday.

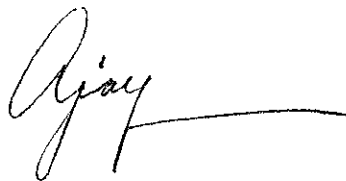

I heard several comments afterward, indicating that the audience appreciated your forthright style and enjoyed the light touches you brought to the event.

And thank you also for the hand-out Guide which will serve them well in understanding what is expected of them and how to maximize their publicity opportunities.

The San Antonio Chapter of Women in Communications has been collaborating with the Express-News on this valuable community service for six years. Prior to that we held similar workshops at the Nonprofit Resource Center for many years. With sell-out audiences each year, it is obvious that the program is needed, especially with the turnover of personnel in the nonprofit sector.

Again, muchas gracias. I look forward to your participation again next year.

Very sincerely yours,

Mr. Frank Cortez,
This is to let you know what has been happening with the Torres family, parents of Diana Celeste Torres, 7 year old that urgently needs a liver transplant. They have been on your radio program which you so amiably and generously hosted them.

The hospital here could not help them. The hospital maintained their position of wanting the whole amount of the cost for the liver transplant, plus monies guaranteeing Celeste's post-operative care. This meant \$300,000.00 plus the post operative expenses. Celeste's time was running out. This is money up front, first.

God opened a wonderful door in Miami, FL. The Jackson Memorial Hospital and the International Kids Fund accepted Celeste with \$175,000.00 that were in her bank account at the end of December 2002.

The Torres family departed for Miami, FL yesterday, the 27th of January. Today the 28th of January at 11 A.M. at the Jackson Memorial Hospital Celeste had her initial visit to start her evaluations and put her on a waiting list. Hopefully very soon she will be getting her liver.

The fund-raising efforts will continue here for Celeste. She has a new account set up at the Jackson Memorial Foundation. Donations can be sent for Diana Celeste Torres to:

Dear Mr. De La Garza,

On behalf of the YWCA of San Antonio staff and Board of Directors, we would like to extend our sincere appreciation for your contribution to the Fifth Annual Fiesta de Las Palmas. Local children and their families enjoyed wonderful entertainment, participated in Kindergarten Readiness activities, played with small farm animals, and ate their favorite foods. Our event was a big success because of your involvement.

Each year Fiesta de Las Palmas continues to grow, and we are thankful for the generous support from community residents and businesses. It is the involvement of committed individuals like you that allows the YWCA to continue offering consistent quality programming to San Antonio families.

Once again, thank you, and we look forward to our continued relationship. If we can be of any assistance, please do not hesitate to contact us at 210-433-9922.

Sincerely,

**RE: Highland Hills Elementary School
Annual Carnival**

Dear: KXTN Radio Mangement/Public Relations

The P.T.A. (Parent Teacher Association) of Highland Hills Elementary holds an annual carnival to involve the community and to raise monies for the benefit of our students, teachers and school.

This year, our event will be held on Friday, May 16, 2003 on the grounds of Highland Hills Elementary. This is our biggest event of the school year, and all proceeds go directly back to our school and community.

We will be having a variety of food and game booths, and are asking local merchants from the surrounding community for donations. Donations could be, but are not limited to: free food or drink coupons, discount kid meal coupons, promo items to be given away as prizes, food items, beverages, paper goods and/or items for a raffle. We would welcome any donations your company could provide, and please know that we will promote your company name during the event – in this situation, everyone wins – your company, the children of Highland Hills and the surrounding community.

We appreciate any consideration you may give us for our upcoming school event. Should you have any questions or need additional information, please feel free to contact me at the numbers listed below.

Again, thank you for your time and consideration.

Sincerely,
